

CONNECT YOUR HR CLIENTS WITH A BETTER SOLUTION FOR PAYROLL, TIME, ACA COMPLIANCE, AND ONBOARDING

Help your HR clients achieve a better workforce experience and lessen their workload with iSolved

Many small businesses rely on HR consulting firms for improved recruitment, comprehensive performance management, and better training solutions. Your clients may be looking for solutions to simplify the day-to-day tasks as well, such as payroll processing, time and attendance tracking, ACA compliance, onboarding, and benefits enrollment. Partnering with iSolved will help you provide more to your clients, since you can handle what you're best at: recruiting and HR management, while offering iSolved, a robust technology that's easy to use.

Your clients can minimize the time spent on tedious tasks, while improving accuracy with iSolved. This cloud-based solution eliminates paper processes and offers payroll, time tracking, onboarding, HRIS, benefits enrollment, and ACA compliance all in one technology. They will say goodbye to tedious manual processes and complicated, disparate tools that require importing and exporting and duplicate data entry.

iSolved makes it easy for your clients to manage benefits and salary calculations.

Your benefits with iSolved:

- A true partnership that delivers what your clients need
- Help you grow your business
- Less worry about legal compliance
- Add value to your service offerings and insulate your business
- View labor data in real time and make informed business decisions
- Tools and benefits, including co-branded marketing collateral and revenue share

iSolved Features:

- Workflows/Electronic Onboarding
- Multi EIN cross-company reporting
- Unlimited department levels for labor and general ledger
- General Ledger export
- Automated ACA tracking for all employee types
- One database for employee records, certifications, expertise
- Electronic open enrollment, carrier feeds, and COBRA integration
