iSolved®

KEEP THE ASSEMBLY LINE MOVING WITHOUT WORRYING ABOUT TIME TRACKING OR JOB COSTING

Focus on running your manufacturing plant; let iSolved streamline your HR tasks
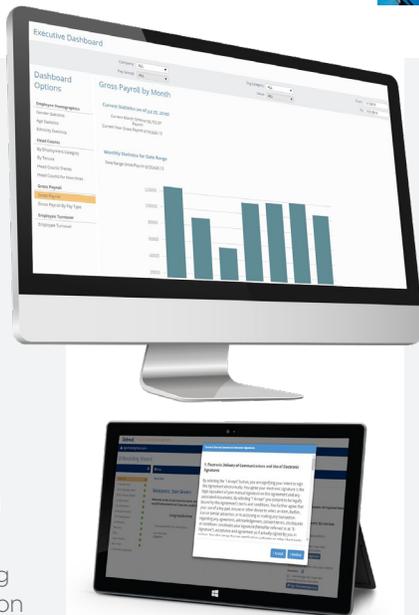

Operating a manufacturing plant requires careful precision and staying on top of a variety of tasks. A small delay could result in a major loss in production that's hard to make up. Finding and using all available efficiencies is one key for success. For HR, payroll, time tracking, and benefits, iSolved provides those needed efficiencies—and at a price point that's perfect for a small-to-midsized manufacturing plant.

This cloud-based solution offers payroll, time tracking, onboarding, and ACA compliance all in one technology. Say goodbye to tedious manual processes and complicated, disparate tools that require importing and exporting and duplicate data entry.

Your benefits with iSolved:

- More time to focus on your manufacturing facility
- Less worry about governmental compliance
- Higher level of employee engagement and teamwork
- View labor data in real time and make informed business decisions
- Reduce errors, improving your bottom line
- Mitigate risk through iSolved Legal
- Available rugged time clocks with biometric, proximity, bar code, mag stripe, and key punch data collection options, connected via Ethernet/ mobile communications
