

When you become an iSolved customer, you receive access to a comprehensive learning system with courses, user instructions, guides, and video tutorials, to get up to speed and fully competent in the iSolved technology.

All courses are delivered online, with extras that make it more fun to progress, such as:  
games | testing | badges | certifications

Take courses whenever it's convenient and stay up to date on new functionality as it is released. Use the reports to view progression and proficiency in iSolved functions.

Elective courses are available to help your team better learn iSolved and hone in on special skills, including:

- COBRA integration
- Year-end preparation
- and MORE
- Comp Time management
- ACA

Customers also have access to University courses, such as:

Mobile app usage

Benefits enrollment

Payroll 101

iSolved Time admin/manager/  
employee training

Understanding your paycheck

and MORE
